No. 222/HOPCB/ERC/2018

Bhopal, Dt: 09/08/2018

To,

**The RTMS Service Providers
(As per the Enclosed List)**

Sub : Interaction Meet with Suppliers / Service Providers of Real-time Monitoring Systems on 24/08/2018.

As per directives of Central Pollution Control Board (CPCB) all the concerned industries have to install real-time monitoring systems (CEMS/CWQMS/CAAQMS/Flow meter/IP-C) at their establishments under 'self monitoring of compliance' scheme and provide access to the regulatory authorities to keep a vigil on the pollution status through live data watch and alert messages.

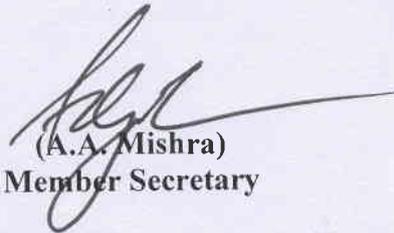

The intent of self regulatory mechanism is already known to you. The CPCB has issued requisite guidelines time-to-time for real-time monitoring systems for better understanding to the stakeholders and timely implementation of programme.

The 'self monitoring of compliance' scheme has been initiated under national programme and its success rests with the stakeholders involved in it. The suppliers and the service providers of RTMS have an important role to play in successful and timely implementation of RTM technology in the country.

In view of above the M.P. Pollution Control Board is organising an interaction meet on Friday, 24.08.2018 at Conference Room, Head Quarters, Bhopal and invite you to participate in the same to discuss various issues, including technological, financial, regulatory and post sale services.

It is requested to depute your concerned executive for the scheduled meeting. A line of confirmation and name of participating executive in advance is thankfully anticipated. The related correspondence can be made on ercmppcb@nic.in.

With best wishes,

(A.A. Mishra)
Member Secretary

No. 223 HOPCB/ERC/2018

Bhopal, Dt: 09/08/2018
