Sub.: Connectivity and Integration of Continuous Ambient Air Quality Monitoring Stations on a single Government Portal/Database – reg.

Ref.: This office e.letter no. MPPCB/10/3/0001 dated 27.11.2020

Your attention is drawn to the above referred letter vide which it was urged to ensure that all the CAAQMS under your jurisdiction, installed by the industries in their premises/township, are connected with the Central Server at CPCB for online transmission of real-time monitoring data for projection on the national portal.

It is hoped that the said task of connectivity and data transmission must have been complied by now. It is, therefore, requested to send the present status report in this regard to help this office respond to the CPCB, Delhi accordingly. A copy of referred letter is attached herewith for ready reference.

Sub: Connectivity and integration of Continuous Ambient Air Quality Monitoring Stations on a Single Government Portal/Database - reg.

Ref.: CPCB letter no. A-18011/63/2010/Part II/Mon-7915, dated 01.10.2020

Vide aforesaid subject the CPCB, Delhi intends to make use of monitoring data of CAAQMS installed at industry premises or industry's township/residential area under your jurisdiction. The objective is to publish the Air Quality Index (AQI) on the national portal for wider awareness among the common citizens. The industries are required to connect their CAAQMS with the Central Server at CPCB and transfer the online data in the prescribed formats attached herewith furnishing details of CAAQM stations.

In view of above it is urged to pursue the industries, as per the attached list, under your jurisdiction for an early connectivity and transfer of real-time monitoring. Ensure that all the CAAQM stations follow the prescribed calibration and data quality protocol for the stated purpose.
