Sub: Installation of CEMS as per Notification GSR 96(E) dated 29.01.2018.

Your attention is drawn to the MoEF&CC Notification no. G.S.R. 96(E), dated 29.01.2018 which mandates the industries, other than industries of 17 categories, to install continuous emission monitoring system for the monitoring of SO₂ and NO_x. It is hoped that the industries falling under purview of the stated notification, copy of which is attached herewith, in your region must have complied the norms by now.

In view of above it is urged to provide the list of industries of your region falling under the referred notification due to use of boilers in their process. Pursue the industries to expedite the process of CEMS installation if not done by them till date. An early response is thankfully anticipated.

Yours Faithfully,
Encl. : A/a.
